OUTLOOK WITH VINSON

- Last year, they generated €240,000 in revenue during the Jack & Jones summer season alone.
- To date, their sales are running 56% higher than last year.
- They have the purchasing power for immediate stock acquisition.
- Adding the winter season in 2026 will further increase their revenue. They have the potential to become a very important client for us.

FINANCE

- During the time I was their sales representative at Jack & Jones, they never had a single unpaid invoice.
